Easy-to-use Weighing Scale

1. Easy to clean

The body which is made entirely of a stainless-steel sheet in compliance with the world's highest protection standard(IP68) and washable and easy to keep clean.

2. Extra-Large Display

The expansive monitor eliminates the issue of poor readability, while also reducing the strain on workers at the workplace.

3. Compact design

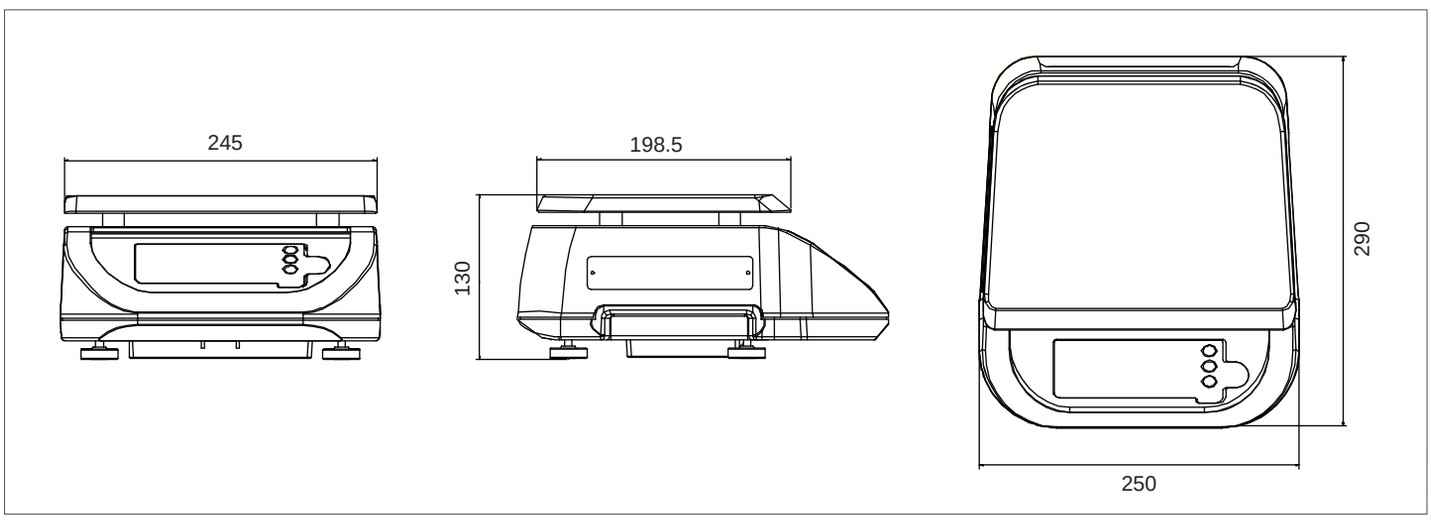

The lowered overall height (130mm) improves the work efficiency by facilitating the loading/unloading of objects to and from the weighing tray.

4. Dual Power Sources

Operates on four C-size dry batteries, enabling it to be used anywhere, as well as an AC/DC adapter, which allows it to be connected to a wall socket.

* 4 x C size dry battery can used for more than 600 hours operation.
